

Introduction

Have you ever felt clobbered by uninvited changes? Crushed by unwelcome choices? Or crippled by unexpected challenges?

Maybe you've even said - "I feel like I've been hit by a truck!!"

If you have, then trust me, you are in the right place.

Our presenter today is an international leadership speaker and entrepreneur; whose entertaining creations received the stamp of approval from the U.S. military and from Canadian Prime Minister Justin Trudeau...although not at the same time. In her own words she, "served on boards, won awards, and drove big Fords!"

Besides rolling around the globe, our presenter likes eating brunch any day of the week, cuddling with her dog, and embarrassing her family with awkward displays of silliness.

And now, buckle up for IMPACT because "a Crash Course in Leadership" will take you on a wild ride! Please give a big round of applause and join me in welcoming professional speaker, consultant and self-proclaimed nachos expert —Elisa Hays*!
