extraordinary **IMPACT**

INTRODUCTION

Have you ever had a really bad day? *{pause}* Maybe you've even said - "I feel like I've been hit by a truck!!" If you have, then hang onto your seats for an unforgettable ride.

Our speaker today knows just how you feel. *{pause}* She spent 15 years building a mission-driven, internationally touring entertainment company that helped over 30,000 kids a year strengthen confidence in the value of their creativity. In her own words she, "served on boards, won awards, and drove big Fords!"

Until her really bad day. *{pause}* After surviving major change and selling her company in 2014, she dedicated her life to helping others thrive amidst disabling circumstances. She speaks at conferences and consults with organizations on leadership, resilience, and inclusion. Whenever possible, she volunteers to visit with people coping with critical injuries and illnesses.

Besides her important work and even more important family - our speaker enjoys: Sunday brunch (any day of the week), the satisfaction of a well-made bed, and cuddling with her co-dependent dog.

And now, for an extraordinary experience in the true meaning of IMPACT, please join me in welcoming Certified Speaking Professional, author, and inner four-year old — Elisa Hays*!
